

instantprint.

2280mm x 800mm Stretch Fabric

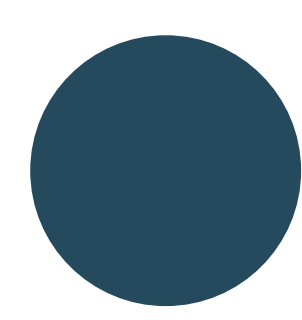

2280mm x 800mm - Finished Size

2340mm x 860mm - With Bleed

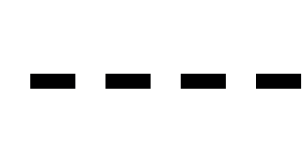

2220mm x 740mm - Safety Area

Bleed Area: You will need to extend your design to fill the bleed area. This area will be trimmed to make sure you don't have any unwanted white lines.

Safety Area: The Safe zone is within the cut line, make sure to keep important elements such as text within the white area so you don't lose any of your design.

Cut Line: This is where we aim to cut your design to finished size. Any part of your design placed outside of this area will be cut off.
