Standard

Blank Template Help

Simply place your design on top.

Bleed Area
You will need to extend your design to fill the bleed area.
This area will be trimmed to make sure you don't have any unwanted white lines.

Safe Zone
The safe zone is 3mm inside of the cut line.
Make sure all important elements and text are kept within this blue area.

Cut Line
This is where we aim to cut your design to the finished size.
Any part of your design placed outside this area will be cut off.
