### Assembly Instructions

Follow these straightforward steps to display your A-Frame:

- Unfold the A-Frame until it locks securely in place.
- The frame comes pre-fitted with weatherproof 220mic PVC Matt White posters.
- To change the graphics, simply flip open the edges of the frame.
- Remove the protective plastic cover.
- Slot in your new artwork, ensuring it's aligned properly.
- Replace the cover and snap the frame edges back into place.

### Care Instructions

To maintain the quality and longevity of your A-Frame:

- Wipe the frame clean with a soft, damp cloth to remove dirt and dust.
- Avoid using harsh chemicals or abrasive materials that may damage the surface.
- Store indoors when not in use to protect against prolonged exposure to extreme weather.
