Care Instructions

To maintain the quality and longevity of your banner:

- A flag typically lasts 4 to 6 months, but longevity can be increased by following these care tips.
- In extreme weather conditions, please remove your flags and store them safely indoors.
- Ensure there is sufficient space for your flag to rotate freely.
- When using your flag for the first time in wet conditions, there may be a chance of colour running This can be easily fixed by washing the flag after use.
- Flags can be hand or machine washed at 30°C using regular household detergents.
- Flat dry your flag and avoid ironing to maintain its quality.
