

Feather & Teardrop Flags

Grab Attention with Bold Advertising in Any Environment

Make your message stand tall with custom flags, perfect for outdoor events, storefronts, or exhibitions. Designed to grab attention in any setting, they come in a variety of shapes and sizes. Printed on weather-resistant material, these durable flags ensure your branding stands out, rain or shine.

Product Information

01. Built to Withstand the Elements

Printed on durable 115gsm Aeromesh, our flags feature wind-resistant material, a secure pole pocket hem, and a robust full-fibre flagpole—designed to withstand wind speeds up to 45 kph, ensuring reliability in all British weather.

02. Tailored to Your Needs

Available in teardrop or feather shapes and sizes from small to XXL, our flags suit any setting. Choose from bases like a ground spike for soft ground or a 30l container for hard surfaces, ensuring stability anywhere.

03. Effortless Mobility & Setup

Lightweight and portable, these flags are perfect for events and pop-up shops. Easily assembled in 2 minutes by one person, they come with a carry case for convenient transport and quick setup.

Ground Spike

Our most affordable base option, this is a metal ground spike that is used for softer ground. Best used for one-day events.

20L Standard Base

A strong, square base you can fill with 20 litres of water. This is a great option and can hold any size flag.

30L Tyre Base

Our heaviest flag base, it holds 30 litres of water. This option will hold your message high on even the windiest of days!
