Crowd Barrier **Covers**

Control the Crowd and Command Attention

Our crowd barrier covers turn standard barriers into prime-time promo space. Perfect for festivals, sports events, gigs, or any place you need to guide the masses while grabbing attention. Durable, weatherproof, and a breeze to install, because your brand deserves front-row exposure.

Product Information

01. Stocks For Every Environment

With three stock options to choose from, you can pick the perfect material for your message and use. Whether it's boosting brand visibility or delivering important safety info, these covers work hard to stand out and keep crowds in check.

02. Fully Customisable Finish

Each cover is hemmed for a sleek, professional finish. Rust-resistant plastic eyelets are spaced every 50cm for quick and easy fitting, with the option of square or angled corners for a snug and secure look every time.

03. Made to Withstand the Masses

Come rain, shine or rogue festival-goer, these covers can take it. Printed using top-tier tech, they're fade-resistant, weatherproof and wind-friendly, so that your branding stays bold, bright, and bang on, whatever the forecast.

Options

Material	Best For	Key Benefits	Cost
110gsm Airmesh Polyester	Lightweight, breathable applications such as temporary barriers at events.	Strong yet lightweight breathable fabric that reduces wind resistance. Ideal for short-term use and easy to transport.	£
440gsm Banner PVC	Tough and reliable, this cover is built to withstand the hustle and bustle of any event.	Super strong and sturdy, the thick PVC material is ideal for long-term promotions and events and is resistant to all kinds of weather.	£
370gsm Mesh PVC	Durable, long-lasting barrier cover that can handle tough environments.	Heavy-duty, robust material that's weatherproof and fade resistant. Perfect for more permanent installations or high-traffic areas.	££
