

NCR Pads

Technical Specifications

Care Instructions

To maintain the quality and longevity of your NCR Pads:

- Store in a cool, dry place to prevent fading or warping.
- Keep away from moisture to avoid smudging or damage.
- Stack flat to prevent creases or bent corners.
- Take care when detaching sheets from the backing board.
- Recycle responsibly to minimise waste when no longer needed.

Additional Information

Materials Information

Stock:

Printed on 75gsm Reacto carbonless self copy paper.
Available in white, blue, pink, yellow and green.

Board:

Securely top-bound with a strong yet flexible adhesive and mounted on sturdy 750-micron greyboard.

Writing Sheild:

A complimentary Manila writing shield is included in every order.

Printing Process

Expertly printed on our new Canon varioPRINT iX3200 high-speed inkjet press. Sequential numbers are digitally printed, not stamped, for a clean, professional and consistent finish.

Choose mono or full-colour CMYK printing, with single-sided, double-sided, or double-sided-top options available.

Sizes	A3 – 297mm x 420mm A4 – 210mm x 297mm A5 – 148mm x 210mm A6 – 105mm x 148mm DL – 99mm x 210mm
Binding Options	Glued Pads: Glued Pads have a strip of presco traditional PVA based padding adhesive applied along one edge with a greyboard backing, holding each set in place until it is torn off. Fan Apart: Fan Apart has a strip of reacto® Fanapart Adhesive applied along one edge and is supplied without a greyboard backing.
Parts	Available in 2, 3 or 4 parts Each NCR pad contains 50 pages in a part, with 2 parts per NCR pad as standard; this gives you 100 sheets in total. You can also choose 3 parts, giving you 150 sheets or 4 parts, giving you 200 sheets. Whichever option you choose, each coloured set always contains 50 pages.
Sequential Numbering	Sequential Numbering prints a unique, consecutive number on every set in your pad. Useful for invoices, receipts, and job sheets. Choose 'Yes' and tell us where to start. Type a number in either box, and the other fills in automatically in increments of 50, one for each set in the pad. You can also add a short prefix as an optional addition.
Sustainability	All paper options are FSC®-certified. NCR Pads can be recycled but check with your local facility as glue and cardboard backing may affect recyclability.
