

# Paper Bags

## Technical Specifications

### Size Guide

Minimum: 240mm x 180mm x 80mm

Minimum: 450mm x 320mm x 170mm

### Care Instructions

To maintain the quality and longevity of your paper bags:

- Store in a cool, dry place to prevent fading or warping.
- Keep away from moisture to avoid smudging or damage.
- Stack flat to prevent creases or bent corners.
- Distribute carefully to avoid bending or crumpling edges.
- Do not over fill with heavy items to avoid ripping or tearing.
- Recycle responsibly to minimise waste when no longer needed.

Additional Information

Materials Information	<p><b>White Kraft</b></p> <p>Our white stock is a crisp, clean white paper stock with a smooth uncoated finish, our small and medium bags are available in 80gsm and our large and extra large bags are available on 90gsm.</p> <p><b>Brown Kraft</b></p> <p>Our kraft stock is a natural-feeling fibrous paper stock with a rustic speckle-like finish, our small and medium bags are available in 80gsm and our large and extra large bags are available on 90gsm.</p> <ul style="list-style-type: none"><li>• They are not food-safe but are suitable for carrying food-safe boxes.</li><li>• They are not waterproof.</li><li>• The base of our paper bags feature small print, including a barcode, recycling icon, and material information.</li></ul> <p><i>Please note:</i> Due to the natural materials used in the manufacturing of our paper bags, slight colour variations may occur between batches. This is a normal characteristic of the product and does not affect quality or performance. White ink cannot be printed on kraft stock, and colours may appear muted due to the natural tone of the material.</p>
Finishing Method	<p>Feature internal 5-ply folded paper handles that are reinforced and taped securely on the inside with additional reinforcement patches to enhance durability and prevent tearing.</p> <p>They will be delivered flat and can be opened quickly thanks to the gusseted sides.</p>
Printing Process	<p>Single pass inkjet printing for high-definition image quality with smooth shadows, gradients, and sharp text.</p>
